It may be that several sections of the above table may be covered by one person, but the roles should be shared out as much as is practicable and effective within the club committee, to avoid a single point of failure and overloading individuals and to ensure appropriate input from individuals.

The template above is modified from the Health and Safety Executive and Sport England Guidance on developing a safety policy document. Clubs who use this template should make changes, additions and omissions from this template as necessary and in accordance with the clubs own circumstances and arrangements.
